

**BASKIYAR, Sanjeev**  
**Auburn University, USA**

Scholarly Contributions [Data Provided by **SCOPUS**]

Baskiyar, S., Abdel-Kader, R.

[Energy aware DAG scheduling on heterogeneous systems](#)

(2010) Cluster Computing, 13 (4), pp. 373-383.

Liu, C., Baskiyar, S.

[A general distributed scalable grid scheduler for independent tasks](#)

(2009) Journal of Parallel and Distributed Computing, 69 (3), pp. 307-314.

Baskiyar, S., Dickinson, C.

[Scheduling directed a-cyclic task graphs on a bounded set of heterogeneous processors using task duplication](#)

(2005) Journal of Parallel and Distributed Computing, 65 (8), pp. 911-921.

Baskiyar, S., Meghanathan, N.

[A survey of contemporary real-time operating systems](#)

(2005) Informatica (Ljubljana), 29 (2), pp. 233-240.

Baskiyar, S.

[A computer based educational Smith chart](#)

(2003) Computers in Education Journal, 13 (3), pp. 76-80.

Baskiyar, S.

[Efficient execution of pure object-oriented programs by follow-up compilation](#)

(2002) Computing (Vienna/New York), 69 (4), pp. 273-289.

Baskiyar, S.

[Scheduling task in-trees on distributed memory systems](#)

(2001) IEICE Transactions on Information and Systems, E84-D (6), pp. 685-691.

Baskiyar, S.

[Scheduling DAGs on message passing mprocessor systems](#)

(2000) IEICE Transactions on Information and Systems, E83-D (7), p. 14971507.

Baskiyar, Sanjeev

[Scheduling DAGs on message passing m-processor systems](#)

(2000) IEICE Transactions on Information and Systems, E83-D (7), pp. 1497-1507.
